

Description

[Pet Waterproof Disposable Vinyl Jacket]

DETAILED DESCRIPTION

[0001] The vinyl jacket is made for pets to provide protection in bad weather conditions, is made in vinyl, easy to fit and disposable over which the invention is applied.

[0002] It is desirable for pet owners maintain dry, warm and clean to his pets during and after walking, which in conventional pet clothing has to be laundry to maintain clean and avoid home contamination from outside. The protective vinyl is worn over the head and the back leg is inserted into the cut and tied in the chest to keep covered in wind conditions.

[0003] The use of vinyl material for this invention is responsible on its own, for providing protection, low cost and flexibility in sizes from small to large pets.
